Dedication

We, the senior class of 1957, wish to dedicate our yearbook, The Dragon, to the memory of our classmate and friend, Dixie Hull Wilcoxson.

"You take a bit of sunshine, mix it with a smile
And human understanding as you travel every mile.
Then add some loyalty, which mingle in so well,
Blend it with a voice that has cheery news to tell."

THE YEARBOOK STAFF

The journalism class has given many hours of hard work and planning to the making of this yearbook. We hope that you enjoy your copy. This group also edited your school paper, the Dragon's Pen, twice each six weeks. We have had our share of fun along with hard work to bring these services to the students of DHS.

Don't concentrate too hard

Do you suppose they are getting anything done??

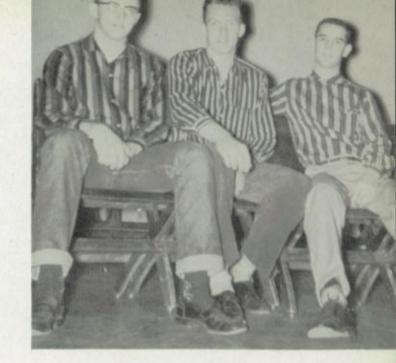

We do a lot of typing.

This is the way we put it on a stencil.

The freshman class began their first term at DHS with 22 boys and 16 girls. They were initiated by the seniors early in the term and quickly found their places in the sports and music activities of the school.

Many have earned places on the honor rolls of DHS. They have been on the student council, on committees, and worked at food stands. We are expecting some great things of this class as they go on here at DHS.
